USING THE MAPS

MAPS ARE TO SCALE

It's easy to find the location of the properties listed in this guide. Look down this list, find the property number and name, see which map it's on, and then pinpoint its location by using the letter/number coordinates. Properties are in alphabetical order. Unless noted in the "Where on Map" column as Map 2, Tupelo locations shown with a letter and number are on the large map on Page 6.
